

2nd International Conference on Climate Change and Environment (January 11 – 12, 2023)

Department of Environmental Sciences, Quaid-i-Azam University Islamabad in collaboration with Pakistan Environmental Protection Agency decided principally to organize “2nd International Conference on Climate Change and Environment” on January 11 - 12, 2023, at Quaid-i-Azam University, Islamabad. A great and quality participation is expected like previous years when more than 200 young and experienced researchers, scientists, philanthropist, climate change lobbyists from 27 national and International Institutions, Universities and nonprofit entities, departments and ministries participated and came up with their extremely good work through this Conference, which may rescue Pakistan from this situation. The features of this conference would be around 500 researchers, experts, philanthropists, at least nine International Universities, live telecast of the proceedings and ownership of Environment Institutions.

Conference Themes

1. Biological, chemical, environmental and socioeconomic mitigation against climate change in the context of Pakistan
2. Agriculture and natural resource management & conservation
3. Deforestation and land degradation
4. Impacts of climate change on wildlife/forest cover changes
5. Air pollution/smog & management
6. Vulnerability of flash flooding due to climate change
7. Circular economy of plastics/ waste to energy/e-waste
8. Natural resource conservation in the scenario of urbanization and land encroachers
9. Water conservation, management, and policy implementation
10. Tourism & climate change
11. Impact of climate change on glaciers
12. Success stories related to Environmental Achievements
