Subject: Withholding of Results of Students with Outstanding Semester Dues

I am directed to convey the instructions of the Worthy Vice-Chancellor, Quaid-i-Azam University, Islamabad, that the results of all such students who have failed to clear their prescribed semester fee(s) shall be withheld with immediate effect.

It has been observed that despite repeated notifications and reminders, a number of students continue to avail academic facilities without fulfilling their financial obligations towards the University.

Accordingly, you are requested to ensure that:

1. Results of all students having outstanding semester fee(s), including arrears of previous semesters, are not declared, uploaded, or notified in any form;
2. The results shall remain withheld until full clearance of all outstanding dues, duly verified by the Treasurer's Office;
3. No special or individual relaxation shall be granted without the prior approval of the competent authority.

This directive shall be implemented strictly and shall apply to all undergraduate, graduate, and postgraduate programs, without exception.

Compliance in letter and spirit is requested.
